

GEO STAC Workshop Lesson Plan

GeoSTAC Workshop: Five and Six

Topic: Lesson Development

Time: 1 hour 30 minutes in class

Lesson Description: Teachers will begin to develop their lesson.

Procedure: Begin with the video - The Geospatial Revolution

<http://geospatialrevolution.psu.edu/>

The next two workshop sessions will be spent working with teachers as they develop their lessons. They have a four-week break between workshop five and workshop six to develop the majority of the lesson and teacher guide.

GeoSTAC Webinar:

Preparation Time: time will vary

Topics: Check in on lesson development prior to workshop six

Webinar: 30 minutes.
