

# GEO STAC Workshop Lesson Plan

## **GeoSTAC Workshop: Four**

**Topic:** Technology Pedagogy

**Time:** 1 hour 30 minutes

**Lesson Description:** Learn how to develop a step-by-step instructional lesson for web-based GIS.

**Procedure:** Teachers will listen to and watch a Power Point Presentation on Technology. They will discuss the specific teaching needs for using technology to address content needs. Then teachers will practice the skills by creating and evaluating a mini lesson

## **GeoSTAC Webinar: Four**

**Preparation Time:** 2 hours

**Topics:** Lesson Ideas Outline - Teachers will outline the lesson they want to develop and be able to discuss it during class.

**Webinar:** 30 minutes.
